

ELDER LAW

As loved ones age, legal needs will change. Our Elder Law attorneys understand and we are sensitive to the confusing and emotionally difficult decisions that are faced by families. We are prepared to advise families on important decisions involving aged family and friends.

Our attorneys provide the following elder law services:

- Care Facility contract reviews
- Medicaid applications
- Asset protection and planning
- Long-Term Care Insurance contract reviews
- Financial and health care powers of attorney
- Guardianships
- Nursing home negligence claims
- Estate planning and administration
- Veterans benefits

We handle legal matters as efficiently as possible and in a timely manner as the situation may require. Our attorneys and staff are sensitive to the stress felt by families who are looking to provide their loved ones with the best care possible. We will patiently answer your questions and guide you through the legal matters and any potential complications.

All of our elder law attorneys are experienced in estate planning and estate administration. Our legal professionals will be sure to verify that all of your family's legal affairs are appropriately handled, including aging family members, caretakers, and offspring.
