

BANKING LEGAL SERVICES

LOAN ADMINISTRATION

Financial institutions turn to our group of attorneys who offer experience in all areas of banking law. Our clients include community, regional, and national banking associations, trust companies, mortgage lenders, and insurance companies. We partner with the leadership and management teams of these institutions to provide legal counsel in commercial lending and banking matters, tax, insurance, securities, and mergers and acquisitions. We help evaluate risks and offer legal solutions that address long-term business needs.

Our transactional attorneys develop long-standing relationships with financial institutions, handling the documentation and negotiation of loans and letters of credit as well as security documents in real estate based lending, asset-based financing, and commercial lending transactions.

WORKOUTS & COLLECTIONS

We also represent financial institutions in foreclosure and bankruptcies, repositions, replevins, workouts and recovery, debt collection, lending disputes, contract disbursements, and other bankruptcy and creditor rights matters.

BANKRUPTCY

Our clients rely on us to generate creative solutions in a variety of bankruptcy and creditors' rights issues. We understand the complexity of these situations and guide our clients through bankruptcy proceedings. Gross McGinley attorneys guide creditor clients through Chapter 11, Chapter 7, and Chapter 13 bankruptcy proceedings as well as receiverships, claim allowance proceedings, and other areas of bankruptcy litigation.
